Core Value

Learning how to share the Gospel with people different to you lies at the heart of Jesus' great commission to make disciples of all people groups.

Understanding the Gospel

Understanding people

Being willing to step outside your cultural comfort zones for the benefit of someone else is a great way to respond to the Gospel.

*"Your attitude should be the same as that of Jesus Christ: who being in very nature God, did not consider equality with God something to be grasped, but made himself nothing, taking the very nature of a servant, being made in human likeness."
 Philippians 2:5-7*

God doesn't expect us to find Him, rather He comes and meets us where we are as sinful human beings. He wants us to respond to Him by taking His Good News to people where they are at—in a way that makes sense to them.
