What are the expectations?

- Before
- During
- After
- What aspects of Catholic theology do these things reflect?

### Protestant Sunday Services

- Assess as an evangelistic strategy – Pros and cons
  
- Think of a particular Sunday service you are familiar with
  - What elements might be helpful / unhelpful – think as broadly as possible – timing, physical environment, literature, elements of meeting ...
  
- If you could change one thing in your Sunday service in order to reach more Catholics with the Gospel what would it be and why?
